

NUVASIVE, INC.

Charter for the Nominating and Corporate Governance Committee of the Board of Directors Revised Effective July 27, 2017

Purpose

The Board of Directors (the “**Board**”) of NuVasive, Inc. (the “**Company**”) has established the Nominating and Corporate Governance Committee (the “**Committee**”) to assist the Board in fulfilling its oversight responsibilities with respect to identifying individuals qualified to serve as members of the Board; recommending director candidates for election to the Board; evaluating the structure and composition of the Board and its committees; overseeing the evaluation of the Board’s performance; and other matters related to corporate governance. The Committee will undertake those specific duties and responsibilities listed below and such other duties as the Board from time-to-time may prescribe. The Committee will provide to the Board the results of its examinations and recommendations and such additional information and materials as it may deem necessary to make the Board aware of significant matters that require Board attention.

Membership

The Committee will be comprised of at least two members of the Board. The members of the Committee shall be elected by the Board. Each Committee member will serve on the Committee during his or her respective term as a Board member and until his or her successor is duly elected and qualified, subject to such member’s earlier resignation, removal or death. Committee members may be removed by a majority vote of the Board. If a Committee Chair is not elected by the Board, the members of the Committee may designate a Chair by a majority vote of the Committee.

As long as the Company’s Common Stock remains publicly traded, each member of the Committee must be a non-employee director and qualify as “independent” as defined under applicable NASDAQ (or applicable stock exchange) rules (except as otherwise permitted under such rules). The Committee’s membership shall also comply with the independence standards set forth in the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and any other requirements pertaining to members of the Committee under applicable laws, rules and regulations, including under the Exchange Act and NASDAQ rules.

Structure and Meetings

The Committee will meet at least twice per year, or more often as necessary to fulfill its responsibilities. A majority of the Committee members will be a quorum. The action of a majority of those present at a meeting at which a quorum is present will be the act of the Committee. Committee members may participate in meetings by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation will constitute presence in person at such meeting. The Committee may take any action required or permitted hereunder by consent in lieu of a meeting if all Committee members execute, either before or after the action is taken, such consent (either in writing or by electronic transmission), which is subsequently filed with the minutes of the Committee.

The Chair of the Committee will preside at each meeting and will approve the agenda of the items to be addressed at each regularly scheduled meeting. Management will circulate a proposed agenda and support materials for each regular meeting to each Committee member in advance of the meeting. The Committee (with the assistance of management) shall keep minutes of its meetings, which minutes shall be filed with the minutes of the meetings of the Board, and will make regular reports to the Board regarding actions taken by the Committee.

The Committee will meet regularly in executive session. Any actions taken by the Committee during any period in which one or more members fail for any reason to meet the membership requirements set forth above shall be nonetheless duly authorized actions of the Committee for all corporate purposes. To the extent permitted by law, rule or regulation, the Committee may form and delegate authority to one or more subcommittees (comprised of one or more members of the Committee) or to one or more management committees (comprised of one or more executives of the Company). Any such subcommittee or management committee shall regularly report to the Committee on any actions taken pursuant to such delegated authority.

20. In accordance with the Company's Corporate Governance Guidelines, review changes by directors in their principal occupation or business association to evaluate the appropriateness of continued Board service under such circumstances.
21. In accordance with the Company's Corporate Governance Guidelines, review third-party board service by members of senior management.

Committee Charter and Committee Performance

The Committee will:

22. Review and reassess the adequacy of this Charter periodically, but no less than annually, and make recommendations to the Board with regard to appropriate changes to this Charter.
23. Cause this Charter to be made publicly available as may be required under applicable laws, rules and regulations, including under the Exchange Act and NASDAQ rules.
24. Perform an annual self-assessment of the Committee's performance, including its processes and communications with management and the Board.

In addition to the above responsibilities, the Committee will undertake such other duties as the Board delegates to it or that are required by applicable laws, rules and regulations.

Committee Resources

The Committee has the authority to take any actions it considers appropriate to fulfill the above duties and responsibilities. The Committee shall have the authority, in its sole discretion, to engage, retain, and set and approve the compensation of independent legal advisors or other consultants or advisors at the Company's expense. The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any consultant or adviser retained by the Committee. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to any consultants or advisors engaged by the Committee and ordinary administrative expenses of the Committee that are necessary and appropriate for carrying out its duties. The Committee may request any officer or employee of the Company or the Company's outside counsel, accountant, or consultant to attend a meeting of the Committee or to meet with any member(s) of, or consultants to, the Committee.
