Purpose

The Board of Directors (the “**Board**”) of NuVasive, Inc. (the “**Company**”) has established the Audit Committee (the “**Committee**”) to assist the Board in fulfilling its oversight responsibilities with respect to the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company; the appointment, compensation and oversight of the Company’s independent auditor, including review of the qualifications, independence and performance of the Company’s independent auditor; the performance of the internal audit and finance functions of the Company; the Company’s compliance with applicable laws, rules and regulations; and matters related to the Company’s Code of Conduct. The Committee will undertake those specific duties and responsibilities listed below and such other duties as the Board from time-to-time may prescribe. The Committee will provide to the Board the results of its examinations and recommendations and such additional information and materials as it may deem necessary to make the Board aware of significant matters that require Board attention.

Membership

The Committee will be comprised of at least three members of the Board. The members of the Committee shall be elected by the Board. Each Committee member will serve on the Committee during his or her respective term as a Board member and until his or her successor is duly elected and qualified, subject to such member’s earlier resignation, removal or death. Committee members may be removed by a majority vote of the Board. If a Committee Chair is not elected by the Board, the members of the Committee may designate a Chair by a majority vote of the Committee.

As long as the Company’s Common Stock remains publicly traded, each member of the Committee must be a non-employee director and qualify as “independent” as defined under applicable NASDAQ (or applicable stock exchange) rules (except as otherwise permitted under such rules). The Committee’s membership shall also comply with the independence standards set forth in the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and any other requirements pertaining to members of the Committee under applicable laws, rules and regulations, including under the Exchange Act and NASDAQ rules.

Each member of the Committee must be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement and shall meet the standards of financial literacy and sophistication requirements of NASDAQ. In addition, at least one Committee member shall have past employment experience in finance or accounting, professional certification in accounting, or other comparable experience or background resulting in the individual being financially sophisticated, which may include being or having been a chief executive, chief financial or other senior officer with financial oversight responsibilities.

No member of the Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary at any time during the past three (3) years.

Structure and Meetings

The Committee will meet at least quarterly, or more often as necessary to fulfill its responsibilities. A majority of the Committee members will be a quorum. The action of a majority of those present at a meeting at which a quorum is present will be the act of the Committee. Committee members may participate in meetings by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation will constitute presence in person at such meeting. The Committee may take any action required or permitted hereunder by consent in lieu of a meeting if all Committee members execute, either before or after the action is taken, such consent (either in writing or by electronic transmission), which is subsequently filed with the minutes of the Committee.

The Chair of the Committee will preside at each meeting and will approve the agenda of the items to be addressed at each regularly scheduled meeting. Management will circulate a proposed agenda and support materials for each regular meeting to each Committee member in advance of the meeting. The Committee (with the assistance of management) shall keep minutes of its meetings, which minutes shall be filed with the minutes of the meetings of the Board, and will make regular reports to the Board regarding actions taken by the Committee.

The Committee will meet regularly in executive session. Any actions taken by the Committee during any period in which one or more members fail for any reason to meet the membership requirements set forth above shall be nonetheless duly authorized actions of the Committee for all corporate purposes. To the extent permitted by law, rule or regulation, the Committee may form and delegate authority to one or more subcommittees (comprised of one or more members of the Committee) or to one or more management committees (comprised of one or more executives of the Company). Any such subcommittee or management committee shall regularly report to the Committee on any actions taken pursuant to such delegated authority.
